

Bologna

A large green and black Challenger tractor is the central focus of the image, displayed in a large exhibition hall. The tractor is a Challenger 7400 model, as indicated by the text on its side. It features a large, black, heavy-duty tire and a prominent front grille. The tractor is positioned on a light-colored floor, and its shadow is cast onto the ground. In the background, other Challenger tractors are visible, along with exhibition stands and people walking around. A red sign with the number '18' is visible in the background. The overall atmosphere is that of a professional trade show or exhibition.

A large green Deutz-Fahr tractor is the central focus, displayed on a light-colored floor. It features large, black BKT tires with white rims. The tractor has a modern design with a large cab and a prominent front grille. The text "DEUTZ-FAHR" is visible on the side of the hood. In the background, other tractors and people are visible, indicating an exhibition or trade show setting.

Novinkou v systému ovládání převodovky TTV je mód Trailer Stretch. Za jízdy traktoru s návěsem či pří-
